

**The Mid-Michigan section hosts a presentation by
Mark Zachos
Cyber Security during the COVID-19 Pandemic**

Speaker: Mark Zachos
President, DG Technologies
Monday, May 11, 2020 @ 7:30 PM

Join us on a special WebEx based virtual presentation featuring our own Mark Zachos, a world recognized expert in cyber security and automotive electronics.

Mark will discuss the following timely topics:

- Maintenance of good password hygiene
- Updating systems and software
- Securing WiFi access point
- Utilizing a virtual private network (VPN)
- Examples of COVID-19 scams
- Not mixing personal and work email

In accordance with SAE pandemic guidelines, this free presentation will be held online using WebEx.

The link will be emailed to all Section members.

For questions, email Steve at Steve.Davis@midmichigansae.org or call (517) 295-2973.
